COMPREHENSIVE BUSINESS INTELLIGENCE **SOLUTIONS**

**BUSINESS INTELLIGENCE:
THE FOUNDATION OF
SUCCESS**

Success in today's global economy is dependent upon having global control and management over vital business information so that it can serve as the foundation of a company's strategic vision. Gilon-Deloitte & Touche helps companies mold fragmented management information systems into one — for a global, comprehensive, end-to-end approach that generates valuable Business Intelligence, delivered in accordance to each company's unique needs, so it can be applied within the organization toward improving the bottom line.

**FIELD-TESTED
METHODOLOGY**

Gilon-Deloitte & Touche provides solutions for all types of businesses and large organizations. The Company's methodologies are based on in-depth understanding of business models and processes and extensive experience deploying available technologies. This means Business Intelligence systems are up and running faster to save valuable time and resources.

END-TO-END SOLUTIONS

Gilon-Deloitte & Touche offers comprehensive end-to-end service that takes projects through all their stages — from business discovery, information discovery, logical data modeling, physical data modeling, and up to implementation and pre-and post-deployment training. Driven by an unending commitment to clients' ultimate goals, the Company delivers best-of-breed, end-to-end solutions time and again.

**PROVEN INDUSTRY
EXPERTISE ON AN
INTERNATIONAL SCALE**

Gilon-Deloitte & Touche works with Israel's largest manufacturing, service and commercial concerns operating in international markets. This experience affords the Company unique vertical market expertise, such as large-scale health care systems, telecommunications, banking and others. The Company has earned a well-deserved reputation in these and other markets by exhibiting unsurpassed knowledge, and focuses on nurturing long-term client relationships built on mutual commitment, business insight, and goal-oriented achievement.

**INTERNATIONAL STRATEGIC
ALLIANCES AND GLOBAL
PRESENCE**

Gilon-Deloitte & Touche works closely with leading technology providers, such as Microsoft, NCR and Oracle, and others, and has extensive experience implementing these companies' technologies successfully. And, as part of the global Deloitte & Touche network, clients and associates benefit from seamless delivery of proven solutions wherever they do business.

**MANAGEMENT AND
OWNERSHIP**

Gilon-Deloitte & Touche was established in 1994, and is headquartered in Israel. The Company is partially owned by the local affiliate of the global Deloitte & Touche network, one of the world's largest accounting and consulting groups.
